

After years of researching and new manufacturing developments, also having considered the demands of the international markets, the Panestetic Laboratories developed ZonerMed, a multifunctional device which provides extraordinary results.

Three technologies in one which work synergistically to obtain an immediate anti-aging effect on the face, neck and décolleté as well as a toning effect on the body.

Sold in more than 30 Countries worldwide, ZonerMed is the ideal solution to satisfy all customers, even the fussiest, thanks to immediate and lasting results. ZonerMed minimizes wrinkles, redefines face shape, improve skin tone and provides an extraordinary skin tightening effect on body areas with skin laxity or sagginess.

## ZONERMED, A FUNDAMENTAL DEVICE FOR EVERY AESTHETIC PRACTICE.

CERTIFIED TECHNOLOGY  
MADE IN ITALY  
ISO 13485 2016

ZONERMED TRILOGY IS AN EXCLUSIVE TECHNOLOGY, MADE IN ITALY BY PANESTETIC TECHNOLOGY

Thanks to the **three ergonomic hand pieces** the operator can treat all parts of the body.

The **shape of the hand pieces** allows the operator to have a secure grip effortlessly and favours a pleasant treatment experience when manoeuvring on the skin.

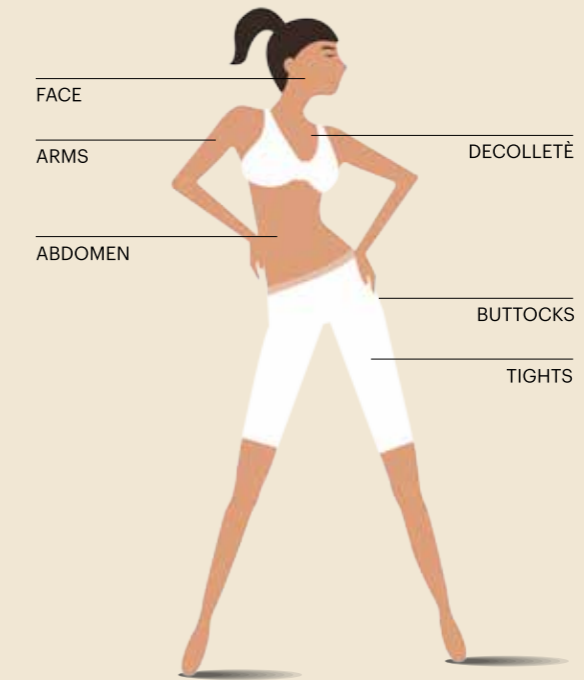

The **innovative and light design** allows the operator to easily perform the specific protocols of the **ZonerMed Trilogy** and access difficult-to-reach areas.

**ZonerMed Trilogy** has a user-friendly **touch screen display**.

The USB port allows the device to quickly receive the latest software, keeping it **up-to-date**.
